Welcome to the neighborhood!

Movers are ideal for customer acquisition, retention, and CRM matching. They will need an array of products and services both in the months leading up to their move and the months following. **New movers are focused on:**

### PRE-MOVE:

**MUST-HAVES**
- Obtaining mortgage pre-approval and researching homeowner’s insurance

**BROWSING**
- Researching major purchases, such as furniture and appliances

**MAKING THE SWITCH**
- Renewing or cancelling various subscriptions and contracts such as cable and internet.

### POST-MOVE:

**BIG PURCHASES**
- Buying furniture, appliances, and other big-ticket items

**CUSTOMIZING**
- Seeking a variety of home improvement products and services to help get settled

**GETTING SETTLED**
- Opening new checking accounts

It is important to make it easy to find and buy from your brand.

Consider using targeted direct mail and email campaigns.
OUR APPROACH
Speedeon’s New Mover Data is rigorously tested and multi-sourced from:

- Change of address forms including subscriptions
- County records, courthouse filings and title companies
- Telco’s including phone, utility and cable connects and disconnects
- U.S. census bureau

Our mover data is updated daily and undergoes additional data enhancements and verifications such as CASS and NCOA. In addition, our New Mover Data undergoes rigorous analysis, quality assessment and third-party verification.

DID YOU KNOW?

1. MOVING ISN’T FREE
New movers’ spending behavior averages $9,000 per move (9X more than that of a non-mover during the first 12 months), with annual new mover expenditures exceeding $150 billion. *Focus USA

2. ACCELERATED SPENDING HABITS
Because new movers are adjusting to a new environment, they are most likely to also adjust their spending habits. Studies show that new movers spend more in their first six months than a typical consumer does in 3 years! *Welcomemat service

3. TIMING IS CRITICAL
Contacting new residents within 60 days of their move is 80 times more successful than contacting an established resident. *SproutLoud
